The right way, for the right reasons.

Welcome to our UWE Bristol community

Our world is changing fast and it's vital we adapt to that. Now, more than ever it's important to choose the right university.

A university that pushes you to develop the skills and knowledge needed to adjust to our changing environment. At UWE Bristol, everything is within your reach. We'll give you the tools you need to act on your ideas and make them happen, and you'll be supported every step of the way.

We're home to over 30,000 students from across the world, studying here and with our overseas partners. Based in one of the UK's most thriving, creative and multicultural cities, Bristol is a fantastic city to study in, with plenty of opportunities for you both socially and professionally.

We have an excellent reputation for graduate employability and industry partnerships so you can benefit from opportunities to get involved in placements, internships or live projects. This will equip you with the most in-demand skills, and the kind of mindset that employers want and need.

Our outstanding research is making a real impact on society. From developing robotic tools to improving air quality, we're changing lives for the better.

Everything from our outstanding facilities, support services and experienced and well-connected academics are here for you. And we believe that when you're supported by a strong community, you can achieve anything.

Everyone here, from our students to staff, industry partners to alumni are driven by the same goal – how can we make things better? If you share that same mindset, welcome to UWE Bristol. You'll be in excellent company.

Professor Steve West
Vice-Chancellor
President and CEO, UWE Bristol

Your future career means the world to us.

At UWE Bristol, we empower you to make a choice. To choose a university that pushes you to be the best you can be. To choose a community that breaks boundaries and leads the way. To choose a passion that excites you and gives you purpose.

Your future career means the world to us, and that's why everything we do here is focused on preparing you for the real world. We're living in competitive times, where you need the right skills and experience to get the career you want. You want industry-relevant courses? World-class teaching? Work experience? You've got it. We'll equip you with the skills and mindset employers want, so you'll leave us as an adaptable, well-rounded, career-ready graduate.

Start your career right.

Gold rating in the Teaching Excellence Framework (TEF) meaning we deliver consistently outstanding teaching, learning and outcomes for our students.

Don't just take our word for it – the facts speak for themselves.

“It’s been such an interesting experience studying abroad in UWE Bristol. The lecturers are so passionate about what they teach and every lesson has been so insightful. The best part? Lecturers really value your ideas and encourage you to explore them further, which has made me push my creative limits.”

Zoey
BA(Hons) Journalism and Public Relations, Malaysia

Your new city.

Welcoming, friendly, multicultural and creative are just a few of the words often used to describe Bristol. Home to around 450,000 people and over 30,000 UWE Bristol students, the city offers a warm welcome to its students.

A multicultural city

Bristol's residents come from over 187 countries, speak over 91 languages, and practise 45 religions. It's a friendly community where diversity is celebrated, and everyone feels welcome.

An award-winning city

We love Bristol and we're sure you will too. It's a city full of potential. And it's no surprise that it's always winning awards. Here are just some of our city's latest achievements:

- 'Vibrant, diverse, friendly' – the top three words residents use to describe Bristol in the Quality of Life Survey, 2018.
- 'The kindest city in the UK' according to a study by 52 Lives charity in 2019.
- Crowned the 'Best Culinary Destination' in the World Food Travel Association: Food Trekking Awards, 2019.

> I have loved living in Bristol during my university years. Bristol is a smaller version of London, which is perfect for students. You can find anything you want, and it's a very multicultural, international environment. I think it's the perfect city for young people to spend their university years in."
>

Bristol

was named 'one of the best European cities to visit in 2019' by the Independent newspaper.

Photo: Sarah Atkinson @bristolsarahpics

An economic powerhouse

Due to its booming economy, many multinational companies like Airbus, Deloitte and IBM have chosen to base themselves in Bristol. From banking, the creative industries and engineering to tech and healthcare, you'll find many exciting opportunities across all sectors in the city.

A connected city

With an airport, two train stations and a coach station, Bristol is well-connected with the rest of the UK and beyond.

- Our campuses are connected by bus to the city centre and wider region.
- Widely renowned as one of the UK's best cycling cities, as a student here you can take advantage of the city's many cycling lanes as well as UWE Bristol's bike hire scheme.
- Get to London in just 90 minutes by train or just over two hours by coach. We even have our own coach stop on Frenchay Campus.
- Bristol Airport connects the city to the world with affordable, direct flights to and from Europe, and connecting flights to Asia and the USA.

> One of the main purposes of education is to broaden your perspective. Having grown up in the US, travelling across the world to pursue my master's degree at UWE Bristol was the best decision I could have made. Here, I have appreciated the unique culture that Bristol offers: an urban city that is lively, but not overwhelming."

Bristol.
The city of opportunities.

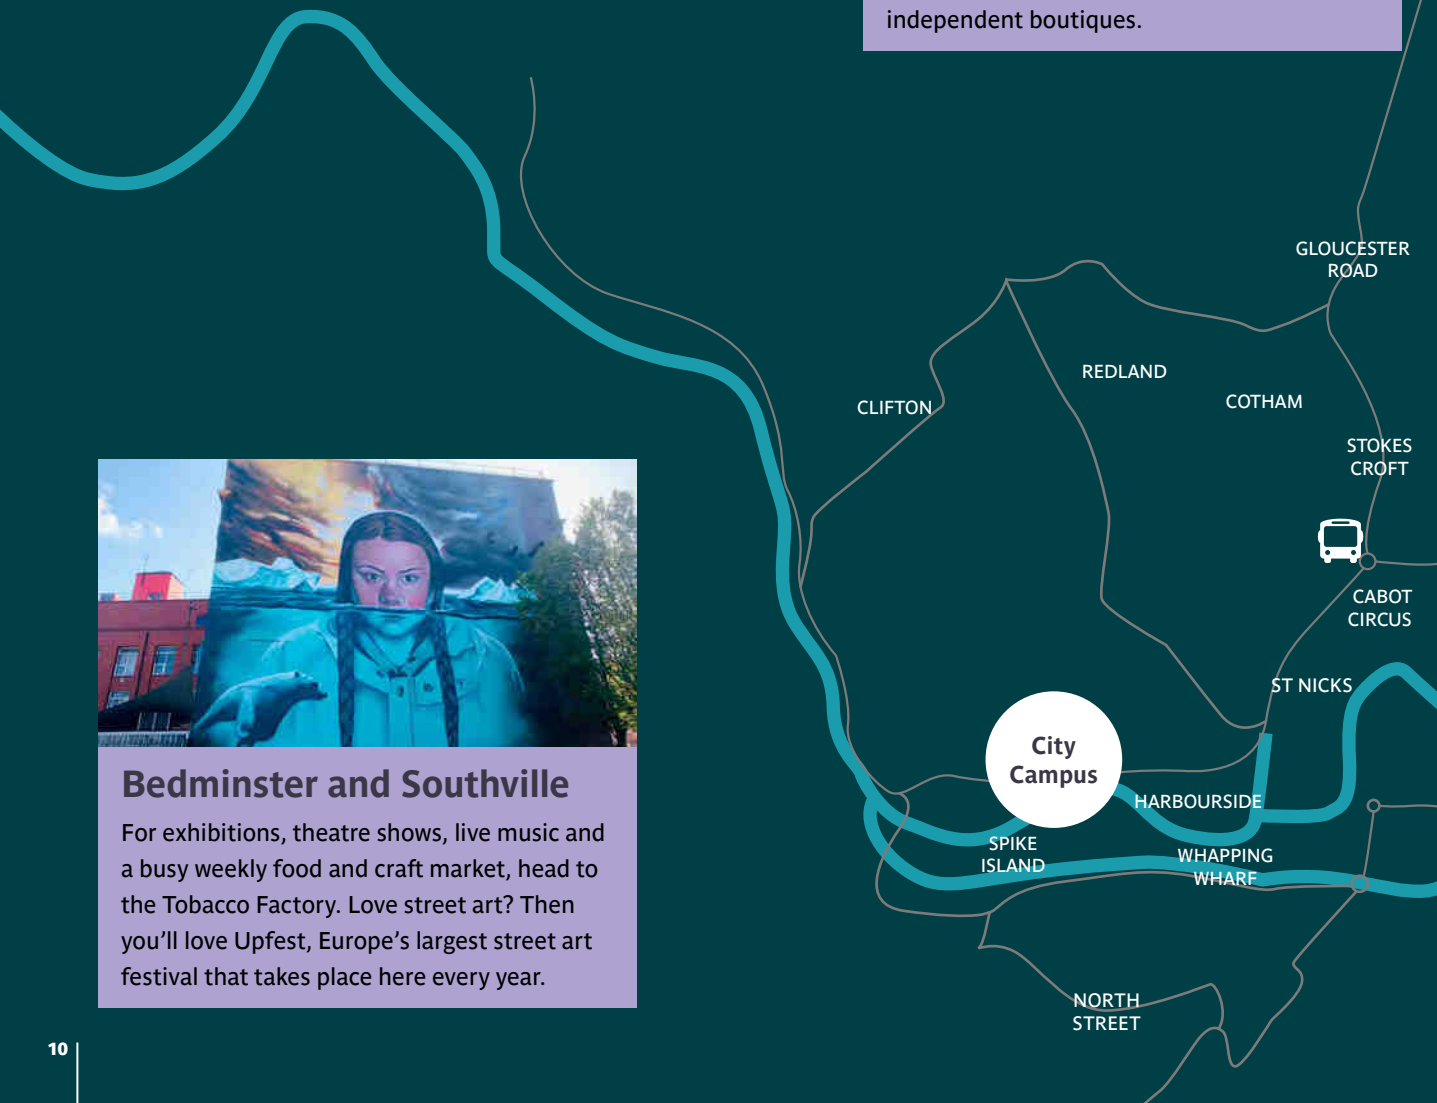
Just one of many great things about Bristol is the different areas of the city and the unique character and charm you'll find in each one. It's all waiting for you to discover, so where will you explore first?

Clifton

Home to some of Bristol's most iconic landmarks, including Brunel's Suspension Bridge, the Observatory and Clifton Village. It's the perfect place to indulge in the great British tradition of afternoon tea, or perhaps a walk enjoying the beautiful architecture and some window shopping in the many independent boutiques.

Bedminster and Southville

For exhibitions, theatre shows, live music and a busy weekly food and craft market, head to the Tobacco Factory. Love street art? Then you'll love Upfest, Europe's largest street art festival that takes place here every year.



Frenchay Campus

Gloucester Road

The UK's longest continuous stretch of independent shops, cafés and pubs – this really is what Bristol's independent spirit is all about.

Glenside Campus

City centre

From the shopping district, Cabot Circus, where you'll find all the chain stores, to St. Nick's market – Bristol's oldest market, the city centre has something for everyone.

Stokes Croft and Montpelier

Cool and creative, this neighbourhood is home to colourful street art, artists' residences, cafés, restaurants, and independent art cinemas. At night it really comes to life with its busy bars and clubs.

OLD MARKET

Harbourside

Lined with bars, restaurants, cafés, and an amphitheatre that hosts live music in the summer, this is the perfect place to take a walk or just relax on a sunny day. And don't miss the Bristol Harbour Festival held here every July. As one of the UK's largest public festivals, it's the city's chance to showcase its rich musical and performance roots.

Wapping Wharf

There's so much to see, do, eat and drink in this popular space on the waterfront. Home to a vast range of cafés and restaurants representing delicious cuisine from all over the world, as well as independent shops catering for all budgets.

Setting you up for success.

How do we help you achieve your career goals? By creating the best environment for you to study in.

From our inspiring teaching staff with strong industry links, to our modern buildings and facilities, everything you need is here.

Top-class teaching

We're committed to delivering exceptional teaching. That's why you'll learn from inspiring academic staff who are exploring the future of your subject. They are innovators, who are reshaping the world in industry, and changing how we think through their research. Get ready to be inspired.

TEF Gold

Awarded gold status in the 2018 Government Teaching Excellence Framework (TEF) rankings for higher education providers, we're proud to be among a handful of UK universities to achieve the gold rating status in teaching and learning. For you, this means you're getting the best.

Global study opportunities

With our expanding network of global study partnerships, you can choose exactly how you want to study for a UWE Bristol degree:

- Study your whole degree on campus at UWE Bristol in the UK.
- Study your whole degree with one of our overseas partners.
- Start your degree with an overseas partner and then transfer to us to finish your degree.
- Get involved in our study abroad or exchange opportunities.

Explore our opportunities

> MSc Information Technology, USA

First-class facilities

One of the best things about studying at a newer university is our modern, purpose-built facilities that create the most effective environment for you to produce your best work. From our stylish cafés and lounges, to our 24/7 library and study zones and much more, it's all waiting here for you.

- **Engineering building**
  Be impressed by our new state-of-the-art engineering building designed to revolutionise the way engineering is taught. Featuring engine test cells, dedicated collaborative learning spaces and the latest high-tech equipment.
- **Business and Law School building**
  Our award-nominated £55 million Bristol Business School building is a huge success with our business and law students. Inside, you'll find perfectly designed spaces for staff, students and industry professionals to collaborate, learn and socialise in. It's also home to the Bloomberg city trading room just like you find in large city investment banks, as well as mock legal courtrooms where you can bring your learning to life. The perfect place to start your business or legal career.
- **Hospital skills and simulation centre**
  Step onto our replica hospital ward on Glenside Campus – complete with consultation rooms, a maternity and a children's unit. The centre uses the same equipment as an NHS hospital, from the flooring to the birthing pools. So, you'll practise how to deliver effective healthcare in a safe environment before starting your placements.
- **Film studios at Bower Ashton**
  Our award-winning Film Studio building is home to industry-standard production film-making facilities, as well as stop motion animation, CGI studios, sound recording, colour grading studios, editing suites and two large photography suites.

Discover our fantastic facilities
uwe.ac.uk/ourfacilities

> "I started studying Occupational Therapy at another institution before coming to UWE Bristol and a few months in, I still felt like I knew little about the profession. Whereas at UWE Bristol I was treated as an Occupational Therapist in training from my very first lecture and I didn't ever feel like just another student. Here you don't just learn the profession, but also how to become a well-rounded individual."
>
> **Chanté**
> BSc(Hons) Occupational Therapy, South Africa

£300m

invested over the last five years in our facilities.

Getting you ready for your future career.

With the right mindset and our support, we believe you can achieve anything you want. So, whether you're aiming to pursue a specific career, or to become an entrepreneur, we will support you every step of the way and help you stand out from the competition. From helping you arrange your placements, to taking up opportunities abroad, and to giving you specialist enterprise mentoring. There's lots to help you kick-start your career.

We're here to challenge you. To get you thinking big. To expand your horizons. So that you achieve everything you aim for and more.

Real-world experience

Everything we do is focused on preparing you for the real world. We create industry-relevant courses with input from some of our 7,000 employer partners.

No matter how much we prepare you for the world of work, there is nothing quite like the real thing, which is why we include placements on so many of our courses. Get first-hand experience in your chosen industry as well as the added benefit of enhanced employment prospects when you graduate. You'll gain valuable experience, boost your CV and make beneficial industry connections.

Getting real-world ready isn't just about placements though. We've embedded enterprise across our curriculum too and depending on your course, you may have the chance to get involved in activities such as live projects, simulations, field trips and insight sessions. All to get you ready for your future.

> "I had the opportunity to go on placement during my first year of study, which was great because I became familiar with the work environment and culture in the hospital. It's prepared me so I now feel ready to work confidently in my career."
>
> **Haley**
> BSc(Hons) Physiotherapy, Hong Kong

Top 10%

We are in the top 10% of UK institutions for continuous employment three years after graduating.

9,000+

Over 9,000 of our students take part in placements or internships each year.

Employer connections that count

It's not just what you know, but who you know. Our extensive partnerships with industry-leading organisations and businesses – names like Airbus, IBM and Sony to name just a few – keep our courses up-to-the-minute and ensure you learn exactly what employers want. And you'll also benefit from these links through a wide variety of placement opportunities available for your course.

Broaden your horizons

There's no need to limit yourself. We encourage you to expand on your UWE Bristol experience, and explore more options abroad as part of your degree. There are so many opportunities on offer to study, work or volunteer abroad, whether you want to get involved just for a week or for a year. Get to experience another culture, learn a language, make new friends, and discover yourself. There's a whole world out there to discover.

Get your dream job.

Our Careers Service is here to help you with everything from practical careers advice and mentoring, to CV writing workshops and tools to help you discover where your talents lie. And the good news is you can use the Careers Service for up to three years after graduating, so we're here to support you after you leave us.

UWE Bristol Careers Toolkit app

Use our fantastic app to develop your interview skills, build your CV, take career tests and more.

Careers Coaching

Book an appointment with one of our qualified careers advisers here to help you develop your career plan.

Drop in and chat

When you just need to drop in to talk about your opportunities, we have a range of services for you.

International Talent Internship Scheme

Our scheme links local employers with international students to offer you relevant work experience alongside your studies. The employers are keen to recruit you for your language and cultural skills and experience, so this is an excellent way to boost your CV.

Alumni Connect

Connect to our amazing alumni around the world through this online tool. Get access to industry experts, professional contacts and local connections, and even find a mentor.

Graduate Immigration Route

The UK Government announced last year that they are introducing a new two-year Graduate Immigration Route from the summer of 2021 onwards which will allow students to work for two years in the UK once they have graduated.

Successful applicants will be able to work, or look for work in any sector, at any level and will be able to switch into skilled work once they find a suitable job and meet the requirements.

GradLink

Our specialist careers website, GradLink, was created by UWE Bristol for UK-educated international students and graduates. You can research global graduate job markets, prepare your CV and apply for jobs, so it's a great way for you to connect with global employers to find your perfect job.

gradlinkUK

> "Studying BA(Hons) International Business with a sandwich year gave me the fantastic opportunity to participate in the Study Year Abroad Scheme both in Angers, France and in Shanghai, China. These experiences helped me to develop my cross-cultural awareness as well as a global mindset. This is really valuable to me as employers are keen to recruit graduates with experience in their subject area."

Edina
BA(Hons) International Business, Hungary

Ready for success.

Whether you're hoping to start your own business or not, we believe enterprise skills are key in today's world and crucial to your success. That's why we've embedded this into our curriculum so you'll learn these skills throughout your studies.

Enterprise is about being able to identify new opportunities, think creatively, be bold and bring ideas to life. From leadership to innovation, commercial awareness and problem solving to decision making and planning. It's about having the skills you need to get the job you want.

Here's how we'll shape your enterprise skills:

Enactus

Get involved with Enactus, an experiential learning platform, where you'll work on real-world challenges and make a difference to people's lives. You'll also get to develop your skills, experience and business acumen, as well as build your professional network.

The Foundry

This technology space is home to our enterprise studios where you can join us for hackathons and immersive technology events.

Enterprise skills development workshops

We run a series of workshops to help you develop valuable commercial skills. You'll learn everything from sales and networking, to finance and pitching.

Ignite

Ignite is our Entrepreneur Support Programme that helps take your business ideas to proof of concept. We'll give you a range of support, tools, and guidance to develop you and your business venture.

Student Ventures

Have a great business idea and eager to get started? We'd love to help. With physical space, business support and funding available, we'll support you every step of your entrepreneurial journey.

Summer enterprise scholarships

Have a great idea that could change the world? Then these scholarships are for you. Divided into the Start-up Scholarship and the Impact and Innovation Scholarship, use your summer to make your business idea a reality. You'll receive £1,000 and mentoring support to help bring your idea to life, and access to city centre retail space where you can test your business and meet the public.

Innovation and enterprise events

Get involved in a range of events from an annual pitching style competition to our Enterprise Festival and Pitch-athon – a live pitching competition where you could win £500.

You will need to check the conditions of your visa to ensure you can participate in these activities.

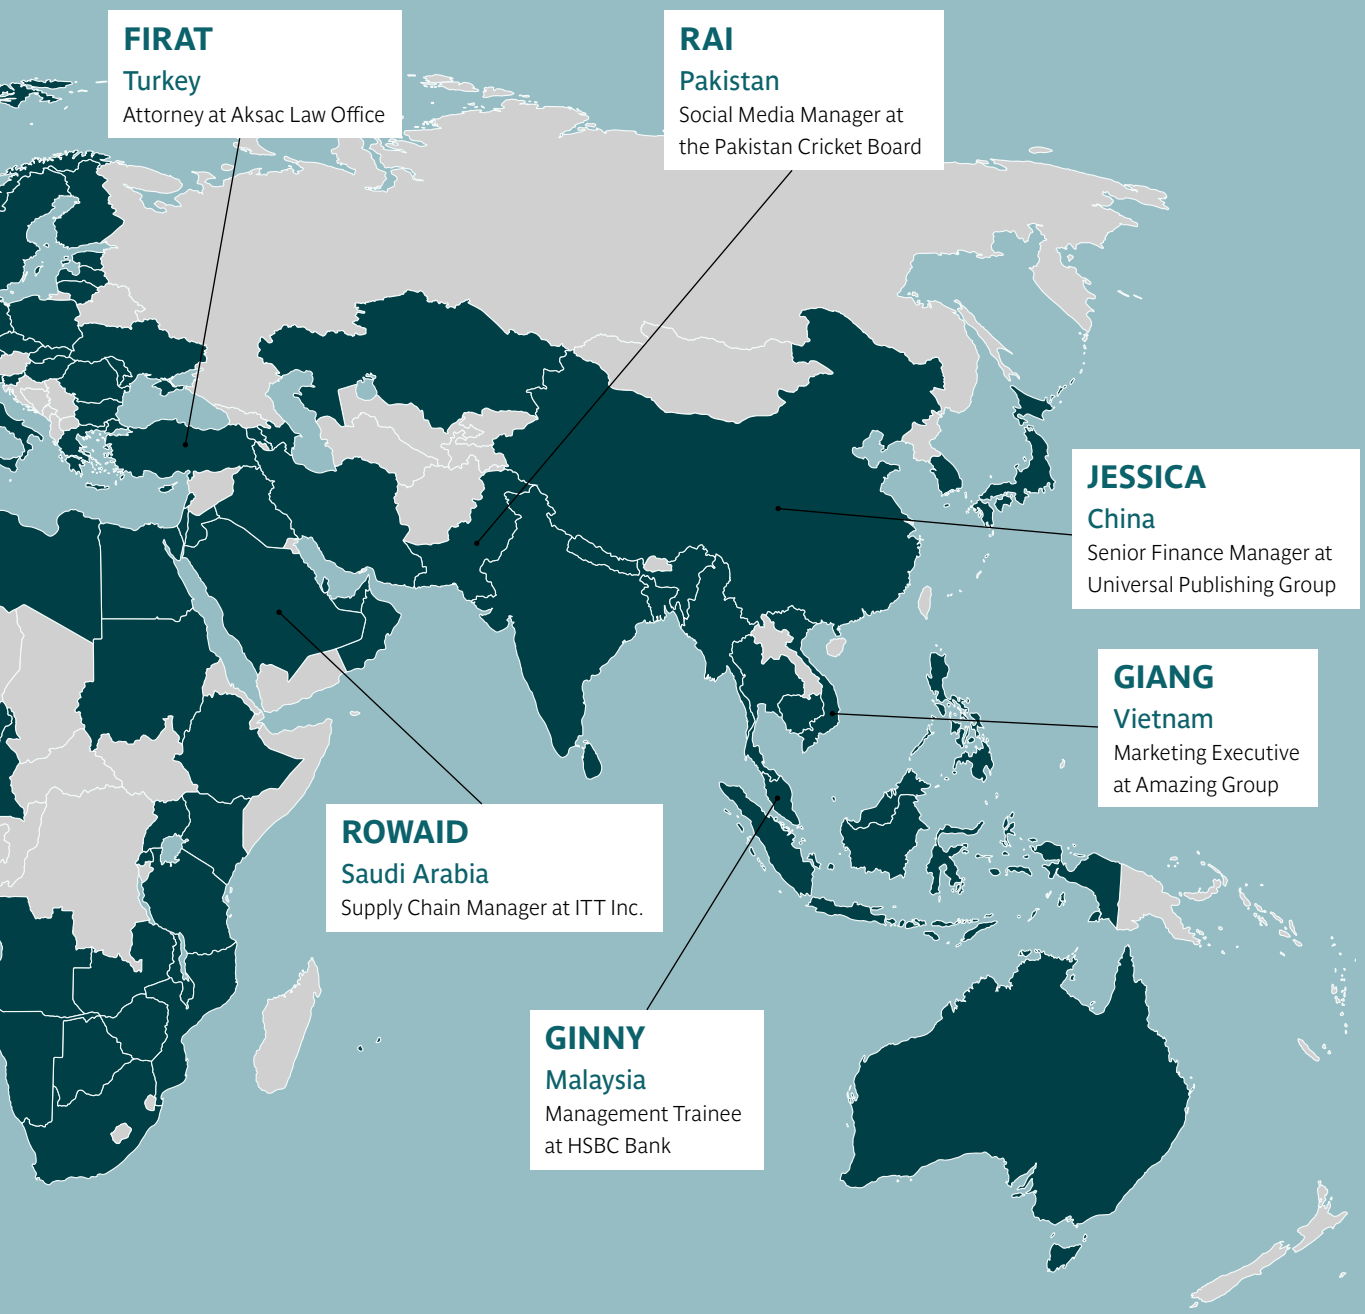
Global success.

We're delighted to see so many of our EU and international graduates go on to achieve great success in their careers. And you could do the same too. Start your career with a UWE Bristol degree.



160+

We have welcomed students from more than 160 countries.

Supporting you before you arrive.

We want you to settle in from day one, so we give you all the support you need, so you can focus on your goals at university.

Before you join us

We're here for you right from your initial enquiry. Our teams in the regional offices around the world and in the UK will guide you through your application and visa queries. We also offer pre-departure briefings in many countries and provide information to support your arrival at UWE Bristol.

If you don't currently meet the academic entry requirements to join a degree course with us, we have options for you. UWE Bristol's International College, based on Frenchay Campus, offers pathway courses which can help you to get onto the degree course you want. Find out more on page 42.

Your arrival

Our Global Student Support team are here to support you to prepare for your arrival and transition to life at UWE Bristol. They will be waiting to welcome you at Heathrow and Bristol airports and will help you travel to your campus. You can find more about our 'airport welcome service' on our website. After you've arrived, we'll invite you along to our International Student Orientation event, which is a great way to settle in and make new friends.

Once you're here

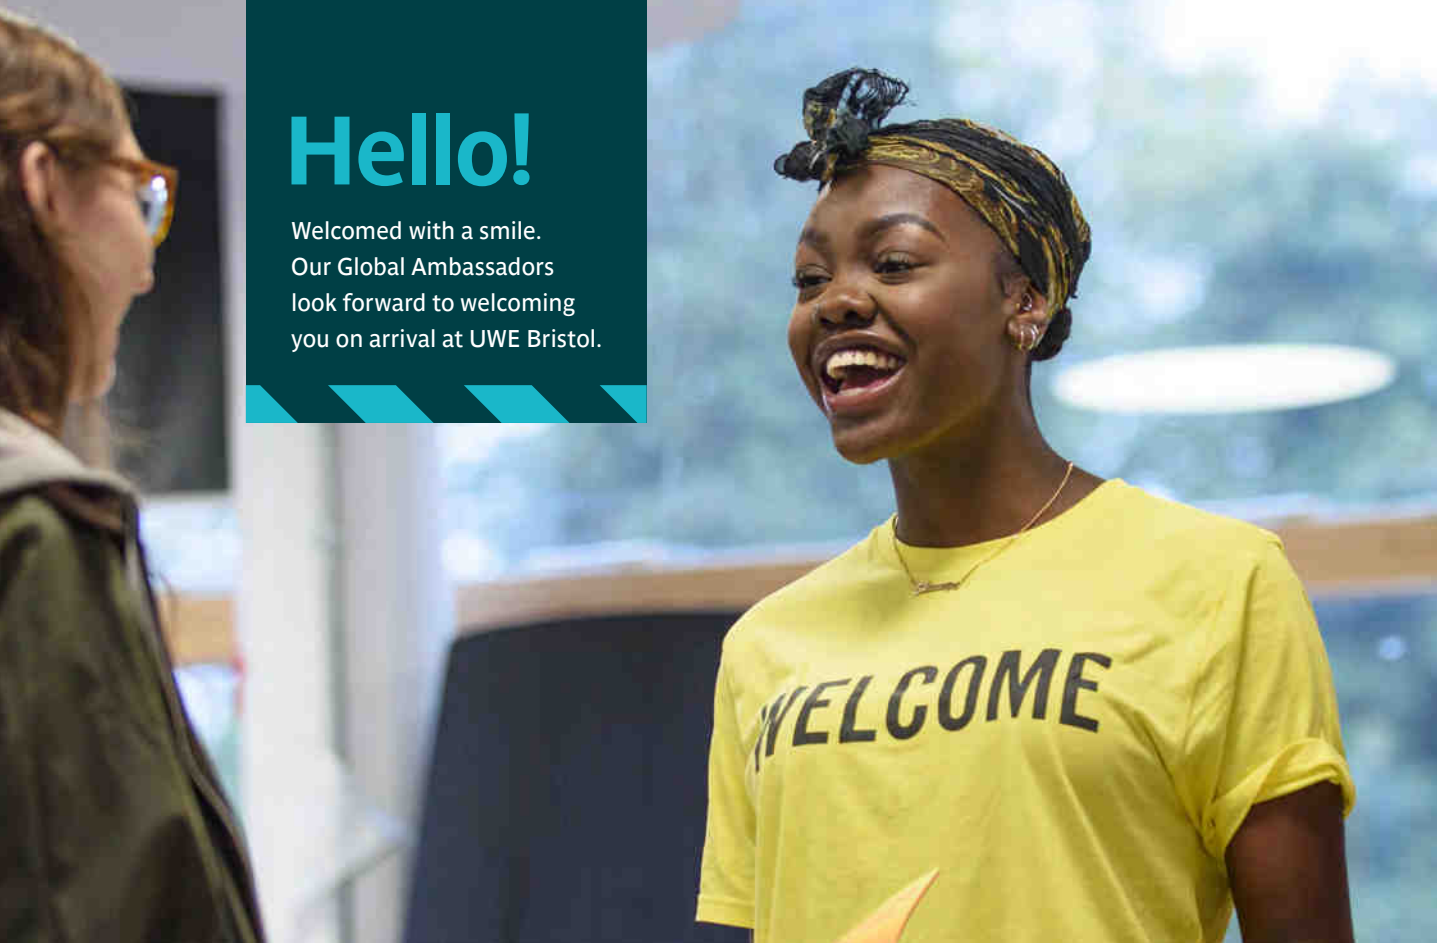
There's plenty of support available as and when you need it. UWE Bristol's Global Centre is here to help you settle into your new student life. Get involved to make new friends, relax, or take part in the many fun events and activities planned for you. Make sure you visit our Global Café too, where you can meet other students from all over the world and practise your language skills. And our student team of Global Ambassadors and Buddies are also available to support you and offer advice about living in Bristol.

Be supported every step of the way.
uwe.ac.uk/newinternationalstudents

> "The International Office staff helped me so much with my questions before I arrived. Once here, I attended the International Student Orientation as well as trips and events organised by the Global Centre. It's a great way to make friends and explore the beautiful city of Bristol."
>
> **Carol**
> BA(Hons) Marketing, Spain

Hello!

Welcomed with a smile. Our Global Ambassadors look forward to welcoming you on arrival at UWE Bristol.



Supporting you during your studies.

Going overseas to study is an exciting time and offers so many opportunities, but we know it can be daunting too. A new country, new city, new people. It's a lot to get used to, which is why we make it as easy as possible for you to settle in so you can make a smooth transition from your home country to UWE Bristol. With plenty of academic and personal support on offer, expect to feel supported every step of the way.

Supporting you academically

Faculty support staff

Our experienced staff will advise you on your course, modules, and credits and refer you to other services that can help you if you need it.

Coaching team

You'll have access to a team of coaches from the start of your course, who will support you throughout your studies to help you progress.

24/7 study resources

Whether you need a quiet space to study alone or a group learning space, you'll find it here. And our library is open 24/7 so you get the flexibility to study whenever suits you best.

Peer Assisted Learning (PAL)

Be supported by experienced students through PAL, our student-to-student support scheme designed to help you with your study skills as well as starting university.

English language skills

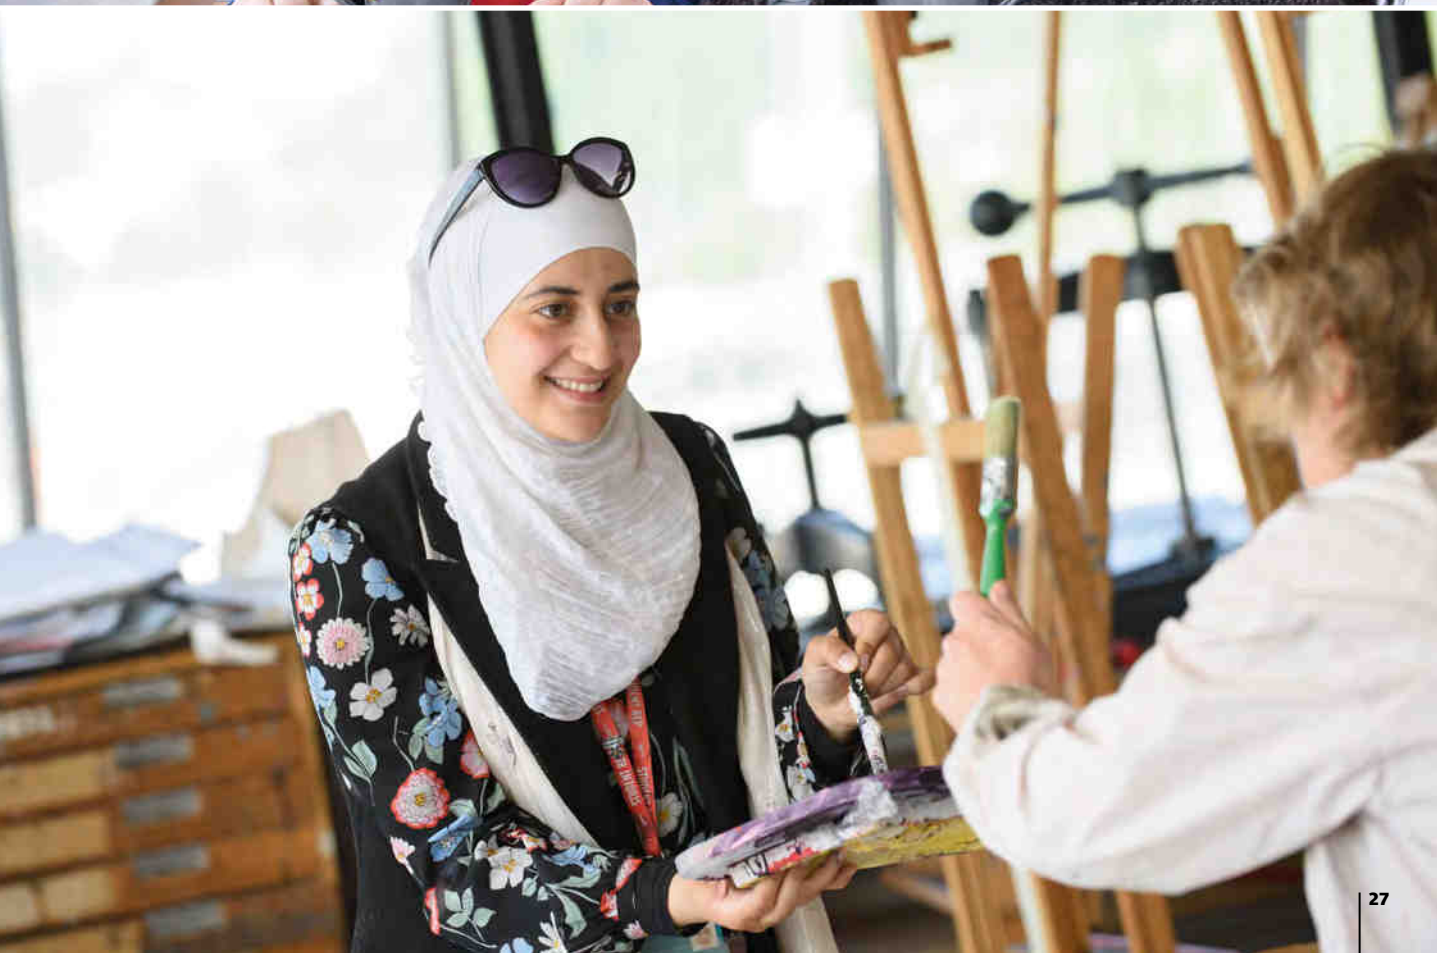
Benefit from our wide range of courses on offer for international students wishing to improve their English language skills to then study at undergraduate and postgraduate level. And our International Summer School is an ideal way to prepare for study in the UK.

Student Support Advisers

Our friendly team of professional advisers are here to help with any changes in your personal circumstances, financial concerns or changing course.

Supporting you academically
uwe.ac.uk/studysupport

> Essay writing at university is much harder than I expected, but luckily the academic support at UWE Bristol has been great. They gave me clear guidance on how to compose an essay, including structure, grammar, writing style and information sources. It helped me so much."
>
> **Haley**
> BSc(Hons) Physiotherapy, Hong Kong



Supporting your health and wellbeing.

We know that life can present challenges and that can have an impact on your health and wellbeing. We're here to help you not only build the resilience skills you need to cope with the challenges you face, but also to grow and thrive from them.

That's why we've developed our Five Secrets to Success, a wellbeing module that will help you develop the skills you need to navigate the challenges of university life and transition to university smoothly.

The module is focused around five themes:

1. **Discovering your student self.**
2. **Engaging with your course.**
3. **Growing your confidence.**
4. **Visualising your future.**
5. **Connecting with others.**

You'll be asked to complete each theme before you arrive at UWE Bristol.

It's part of Block Zero – three weeks of online, timetabled activities to help you get to know your teaching team, your coursemates and learn about yourself too. Supported by podcasts, a short film and simple reflective tasks to get you in the right mindset, so when you join us you'll feel ready to take on anything and everything.

University Health Centre
Take care of your health at the Health Centre on Frenchay Campus, where you can book an appointment to see an NHS doctor or nurse.

Wellbeing Service
Our team of trained counsellors is available if you're experiencing challenging personal difficulties including mental health issues. With lots of advice and support on offer, we're here to listen to you.

Out of Hours Team
We also have a team providing out of hours support in our Student Centre, so if you ever need emotional or mental health support outside of normal hours, we're always here for you.

Disability Service
If you have a disability, we can offer advice, practical support and reasonable adjustments to enable you to access your course and make the most of your studies.

The Global Student Support Team
When you don't have family support to rely on, you can rely on us. So, come along to the Global Centre where we'll help you, or we can direct you to the right support.

The Student Centre at the Farmhouse
Sometimes you just need a space to connect and relax, and the Student Centre offers exactly that. Alcohol-free, welcoming and sociable, there are beanbags and sofas to relax on, plus rooms for societies to meet and catch up.

Supporting your health and wellbeing
uwe.ac.uk/wellbeing

Be part of your student community.

Your university experience is about more than just study. Choose to make the most of it. It's the perfect time to be social, to try new things, to discover new passions. A time to learn about others and yourself too. So, get involved and create your best student experience.

UWE Bristol Students' Union

With over 160 sports clubs and societies for you to join, there is something for everyone. And if you can't find what you're looking for, why not start your own club or society?

Centre for Music

Whether you want to learn to play an instrument, sing or develop your own music, our team of industry professionals at the Centre for Music is here to help you do just that. Catering for every musical genre imaginable, be inspired to develop your skills whether you're a complete beginner or already a talented musician. With lessons available in music, vocal coaching, production and lighting, learn about all aspects of music production and performance. The Centre also runs a full programme of events all year from gigs to club nights to music festivals, so don't miss out on these.

Centre for Sport

Achieve your fitness goals at our Centre for Sport. You'll find everything from climbing walls to squash courts, football pitches to our fitness studios. And if you want to get active join MOVE, our scheme where you can try a wide variety of fitness classes and activities. With over 40 classes a week to choose from, it's so easy to get fit and stay active.

Sports clubs

Whichever sport you're interested in, we're likely to have a sport club for you. Our clubs are open to all levels and are a great way to learn new skills, stay fit and make new friends.

Volunteering

Make a difference to society. Give back by volunteering for one of the 600 not-for-profit organisations we work with, and gain CV-enhancing experience at the same time.

Events

With a packed calendar of events, there's always something for you to get involved in, from cultural events like Africa Week to wellbeing events such as Feel Good February and much more.

> "Coming to UWE Bristol was as if someone had handed me a paint brush, colours and a mile-long canvas. Express yourself however you wish – whether it be through arts, sports, academics, culture or a powerful cause. UWE Bristol is a university that encourages expression. If you can't find an interest in one of the 160 societies and sports clubs, they even give you the opportunity to create your own."
>
> **Chanté**
> BSc(Hons) Occupational Therapy, South Africa

40%

of our students get involved in volunteering. Whatever your skills, talents and interests, we can find a volunteering role to suit you.

The Students' Union at UWE Bristol.

Join in. Speak up. Be more. The Students' Union is your voice at university. Elected by you, the Union President and members work for you on issues presented and make sure your ideas are heard. They organise lots of fun stuff too and are always there if you need someone to talk to. And the Students' Union provides you with a great range of services and support including an advice centre, JobShop and nursery. There is also a HallsLife community for those living on campus as well as a great range of bars, shops and cafés.

Get involved in our clubs and societies

With over 160 sports clubs and societies for you to join, there is something for everyone. Choose from societies relating to your course, faith, culture, religion and interests. We have everything from films to airsoft, beekeeping to anime, so whatever you're interested in, you're likely to find something for you.

Here are just a few of our clubs and societies on offer:

Venturers Society

This society uses entrepreneurship to drive positive change in the community through connecting people and learning business management.

Culture Fusion Society

This society believes that a dancing spirit is a happy one. Showcasing dances, creative heritage and culture from Africa, the Caribbean and Latin America, Culture Fusion brings people together and introduces them to a new world through dance.

Formula Student Team

This team of motoring fanatics build a single-seater racing car each year to compete against over 100 universities worldwide at Silverstone racing circuit in the UK. It's a perfect opportunity for students to put their skills into practice and have great fun along the way.

Your UWE Bristol campuses.

UWE Bristol is a campus-based university consisting of three safe and secure campuses – Frenchay, Glenside and City Campus, each with its own unique character and welcoming community.

Frenchay Campus

Our main campus is based at Frenchay, just four miles north of the city centre. Most of our students study on Frenchay Campus and many students choose to live here too. It's also home to our Bristol Business School as well as The West of England University Enterprise Zone (UEZ).

Glenside Campus

Set in beautiful grounds in the Fishponds area of Bristol, Glenside Campus is just three miles northeast of the city centre and is where our healthcare courses are taught. We opened our Clinical Skills Centre here in 2018, which provides new teaching and learning spaces for trainee paramedics, occupational therapy students, nurses and undergraduate optometrists.

City Campus

Our creative and cultural industries campus spans the city and consists of sites at Bower Ashton Studios, Spike Island, Arnolfini, and Watershed. Bower Ashton is the Campus hub and where teaching takes place for the School of Art and Design and many of our Department of Creative and Cultural Industries courses.

Bower Ashton is set in beautiful parkland not far from Bristol's iconic Bristol Suspension Bridge, while Spike Island, Arnolfini and Watershed are all based right in the creative heart of the city.

Discover our Campuses.

Welcome home.

Choosing where to live is both exciting and nerve-racking especially when you are moving overseas and living away from home for the first time. But rest assured, you'll feel at home the moment you arrive in one of our safe and comfortable accommodation options on campus or in the city centre.

Typically, you can expect:

- A furnished bedroom with a bed, desk, storage, and internet provision – many are ensuite too.
- A modern kitchen – shared with a group of other students.
- A communal area to relax in and catch up with your friends.
- Laundry facilities and bike stores.
- CCTV and a 24/7 security team so you'll always be safe.
- Gas, electricity, water and contents insurance for personal possessions (except bikes) are all included in your accommodation fees.
- All bills are included so there are no unexpected costs to worry about.

Frenchay Campus accommodation

You have a choice of three options – the Student Village, Wallscourt Park and Carroll Court. A great choice if you want to get to lectures in minutes and have all our fantastic facilities right on your doorstep.

Glenside Campus accommodation

You can live on site at Glenside or in the Hollies. Both are a just short walk to Fishponds high street, which has plenty of shops, bars and cafés.

City centre accommodation

If you prefer the buzz of city life, you have seven options. Choose one of our centrally located, purpose-built apartment blocks, in the heart of the city with many shops, bars, and cafés all around. All are well connected to our campuses by Metrobus, local buses and cycle lanes.

Accommodation costs

Budget £98.32–£196.00 per week
(Contract lengths vary between 40 and 50 weeks).
uwe.ac.uk/accommodationcosts

Accommodation guarantee

As a new student at UWE Bristol, you will be guaranteed a room in our accommodation if you apply by the June deadline. Please see our website for the up-to-date accommodation deadline date. (Accommodation guarantee conditions apply).

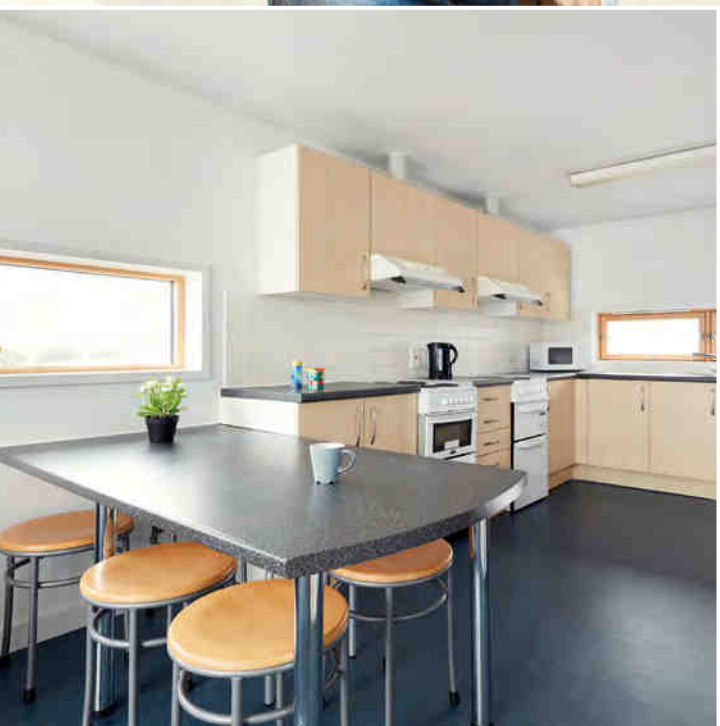
> "As soon as I arrived at UWE Bristol, I felt comfortable and knew right away that it was somewhere I could call home."

Julie
BA(Hons) Architecture, Brazil



Choosing the right course for you.

Here, we've included the course types most likely to interest you, but we have many more available. Visit our website for more information.

Pre-Sessional English Programme

This course is designed for international students who need to reach the level of English language skills required to study at UWE Bristol. The course will enable you to manage all aspects of studying and living in the UK.

International Summer School Programme

We have a range of summer schools on offer where you can improve your language skills, enhance your knowledge of a subject, develop your professional skills or simply spend time in the UK experiencing British culture.

Undergraduate bachelor's degree

This is usually a three-year degree course and the award is either a Bachelor of Arts (BA), Bachelor of Science (BSc), Bachelor of Engineering (BEng) or Bachelor of Law (LLB).

Some architecture degrees, some engineering degrees, and all degrees with an optional placement year, known as a sandwich year, last four years.

Undergraduate master's degree

We also offer MEng(Hons) and MSci degrees in some subjects. These are undergraduate master's degrees with an additional final year of postgraduate level study built in so that you graduate with a master's level qualification.

Postgraduate taught master's degree

This usually includes nine months of teaching plus a three-month research project, which can be undertaken anywhere in the world. The award is either a Master of Arts (MA), Master of Science (MSc), Master of Law (LLM) or Master of Business Administration (MBA).

Postgraduate research degree

The Professional Doctorate (Prof Doc), Master of Research (MRes), Doctor of Philosophy (PhD) and Master of Philosophy (MPhil) are all research degrees with little or no teaching involved. Research degrees take at least two to three years to complete and often longer.

Distance learning

Distance learning allows you to study remotely without being in regular face-to-face contact. For some courses you may occasionally need to attend the University for study sessions.

KAPLAN INTERNATIONAL PATHWAYS

UWE Bristol's International College.

Your path to UWE Bristol

UWE Bristol's International College is a joint educational partnership between UWE Bristol and Kaplan International Pathways. Based on the Frenchay Campus, the International College is perfect for international students who need to gain the academic and English language skills necessary for degree entry.

You'll benefit from small class sizes, expert teachers, a customised curriculum and specialist support. You'll also have access to UWE Bristol's facilities including the library, PC labs, study spaces, Centre for Sport and Students' Union.

A pathway course: your route to a degree

If you have completed high school or university, but don't meet the entry requirements for our undergraduate or postgraduate degrees, you can gain a place through a pathway course. This will give you the skills and knowledge you need to progress onto your degree at UWE Bristol. The great news is you're guaranteed entry* to your degree as long as you pass your pathway course at the required level with good attendance.

On-campus pathway courses

Foundation Certificate

To qualify to start an undergraduate degree at UWE Bristol, you can take a Foundation Certificate, which will fully prepare you for, and then allow you to progress to, the first year of your degree.

International Year One (IYO)

If you've finished high school with good grades, you might qualify to study an IYO. This combines university preparation with content that is like an undergraduate first year, allowing you to progress directly to the second year of your degree.

Pre-Master's

If you have three years of higher education or equivalent from your home country, but you don't qualify for entry to a postgraduate degree, then a Pre-Master's is ideal for you. This will bring your skills up to the level needed for entry onto a UWE Bristol postgraduate degree.

Off-campus pathway course

Pre-Doctorate

If you already have a degree, and wish to study a UWE Bristol doctoral degree, you can prepare with a Pre-Doctorate at Kaplan's International College in London. The course will help you to navigate the process of applying for a UK doctoral degree and show you how to best present yourself and your research ideas to universities at doctoral level.

More about UWE Bristol's International College
uwe.ac.uk/uwebic

*This guarantee applies to the Foundation Certificate, International Year One and Pre-Master's courses. For the Pre-Doctorate, you're guaranteed an interview for a doctoral degree at UWE Bristol if your research topic matches the University's priority areas.

Find your path.

Converting your International Baccalaureate Diploma qualification into UCAS tariff points

The UCAS tariff is a system of allocating points to qualifications and we use it to set our entry requirements and make offers. We award points according to the UCAS tariff and assign a numerical score to the possible grades you can achieve in each type of qualification. Use the tables below to find your predicted tariff points.

International Baccalaureate Diploma

Higher Level	Standard Level	Extended Essay	Theory of Knowledge
H7 – 56	**S7** – 28	**A** – 12	**A** – 12
H6 – 48	**S6** – 24	**B** – 10	**B** – 10
H5 – 32	**S5** – 16	**C** – 8	**C** – 8
H4 – 24	**S4** – 12	**D** – 6	**D** – 6
H3 – 12	**S3** – 6	**E** – 4	**E** – 4

A-Level and Advanced VCE

A* – 56
A – 48
B – 40
C – 32
D – 24
E – 16

PERFORMING THE CITY

Provisional term dates 2021–2022

Teaching block 0	20 September 2021 – 15 October 2021
Teaching block 1	18 October 2021 – 21 January 2022
Winter vacation	20 December 2021 – 03 January 2022
January assessment period	24 January 2022 – 04 February 2022
Teaching block 2	07 February 2022 – 06 May 2022
Spring vacation	11 April 2022 – 22 April 2022
Summer assessment period	09 May 2022 – 27 May 2022
Summer vacation start	23 May 2022 – 05 August 2022

These dates are an indication of the standard term dates. Different dates apply for some courses (such as health and education). Please note these dates are subject to change. Please check our website for the most up-to-date information.

Entry requirements.

Academic entry requirements

- We accept equivalent academic qualifications from around the world.
- Entry requirements depend on the specific course for which you're applying.
- Please refer to our country information web pages for your country's entry requirements or contact us if your country is not listed.
  uwe.ac.uk/international

English language requirements

- You'll need an IELTS qualification certificate (valid for two years) or a recognised English language qualification of GCSE grade C or above or equivalent (for most of our undergraduate degrees).
- We also offer our own English Language Placement Test for students who need to meet the English Language entry requirements.

Typical entry requirements are shown below, although these may vary depending on the course you're applying for.

Undergraduate	Overall score of 6.0 with 5.5 in each component*
Undergraduate final year entry	Overall score of 6.5 with no component below 5.5 OR Overall score of 6.0 with no more than one component at 5.5*
Postgraduate	Overall score of 6.5 with 5.5 in each component*

These scores are for most courses, but some may require a higher level.

Find out more

For more information about accepted tests and required levels visit: uwe.ac.uk/languagerequirements

We consider our applicants on a case-by-case basis, so please contact us if you have any questions.

Fees and funding.

International scholarships

As a university strongly focused on your career prospects, we're keen to support exceptional students from a variety of backgrounds to achieve their full potential. Once you've submitted your application to us, we'll invite you to apply for our scholarships. Every year we offer several international and country-specific scholarships to international students.

Find out more
uwe.ac.uk/internationalfunding

Tuition fees

	EU and international student tuition fees
Undergraduate	£13,500*
Postgraduate	£8,500–£16,700
MBA	£15,750

**with the exception of BSc Architecture which is £14,500*

On 23 June 2020, Universities Minister, Michelle Donelan, announced that from August 2021 EU, other EEA and Swiss nationals will no longer be eligible for home fee status, undergraduate, postgraduate, and advanced learner financial support from Student Finance England for courses starting in the academic year 2021/22.

Fees displayed are for 2021–2022 entry and are correct at the time of printing. The most up-to-date fees information is always available on our website.

Visa advice

If you're applying for a student visa, it's important to check that you have the appropriate funds as stipulated by the UKVI to cover your living costs during your studies. Our Visa and Immigration team is available to advise both our new international students and those continuing their studies with us.

Find out more
uwe.ac.uk/visasandimmigration

Living costs

Below is a guide to your living costs as a student at UWE Bristol.

	Weekly cost	Yearly cost
Accommodation or rent	£103–£143	£4,120–£5,720
Travel	£10	£400
Course costs (books, etc.)	£8	£320
Household bills and food	£96	£3,840
Entertainment and socialising	£20	£800
Total	£237–£277	£9,480–£11,080

Please note that the above costs are indicative and are based on a 40-week academic year. These costs will also vary between courses, year of study and choice of accommodation.

adidas

Applying to UWE Bristol.

With several options available to you, it's easy to apply, so just choose the one that suits you best. And if you have any queries, please contact us.

Pre-sessional English Programme

Step 1	Step 2	Step 3	Step 4	Supporting documents
If you meet the academic requirements but require additional support to take your language skills to the required level, you may be able to attend one of our Pre-sessional English courses. Students who successfully complete the Pre-sessional course can progress onto their chosen degree course without retaking an IELTS or equivalent. Students can apply online via the Pre-sessional English course web page. We also offer PSE programmes in Asia Pacific and details will be sent to applicants.	We will consider your application and email you with our decision within 14 days.	Firmly accept your offer. We will ask you to pay a £3,000 deposit to secure your place. If the course has lower fees you will have to cover the full cost.	If you require a visa to study in the UK, we will issue a Certificate of Acceptance to Study (CAS). We start to issue the CAS 3 months prior to the start date of your programme. Complete your CAS assessment task and passport details on your UWE Bristol Welcome website on the My visa tab.	Before we can confirm your place, you need to meet the following criteria: • Hold a conditional place on a degree programme. • Upload a copy of your UKVI approved SELT (Secure English Language Test).

Undergraduate

Step 1	Step 2	Step 3	Step 4	Supporting documents
Apply in one of the following ways: • Apply online via UCAS (Our institution code is B80). • Agents and representatives – through our extensive network both in the UK and overseas. • UWE Bristol accepts applications through the Common Application, provided that you are liable to pay overseas fees **commonapp.org** • Regional offices – our staff in China, India, Malaysia, Nigeria and Vietnam are there to help with your application.	We will consider your application and email you with our decision within 14 days. If your application is successful, you will receive either a conditional or unconditional offer. UCAS applicants will also be notified by UCAS when a decision has been made. When you have replies from all your courses, you can accept one firm choice and one insurance choice in case you do not meet the grades of your firm offer. Some courses require an interview and/or to view your portfolio of work. In both cases this can be arranged via Skype.	Firmly accept your offer. Self-funded international students will be asked to pay a £3,000 deposit to secure your place.	If you require a visa to study in the UK, we will issue a Certificate of Acceptance to Study (CAS). We start to issue the CAS 3 months prior to the start date of your programme. Complete your CAS assessment task and passport details on your UWE Bristol Welcome website on the My visa tab.	The following documents are required before we can confirm your place: • copy of your passport • copies of previous UK visa/s, if applicable • copy of your ATAS certificate, if applicable • copy of your final results, final transcript or degree certificate • copy of your English language qualification, if applicable • copy of bank statements and or evidence of maintenance funds. Please read the admission statement for your programme carefully before applying, as you may need to upload additional documents.

Postgraduate taught

Step 1	Step 2	Step 3	Step 4	Supporting documents
Apply through one of the following ways: • Apply online – via the relevant postgraduate course web page. • Agents and representatives – through our extensive network both in the UK and overseas. • Regional offices – our staff in China, India, Malaysia, Nigeria and Vietnam are there to help with your application.	We will consider your application and email you with our decision within 14 days. If your application is successful, you will receive either a conditional or unconditional offer. Some courses require an interview and/or to view your portfolio of work. In both cases this can be arranged via Skype.	Firmly accept your offer. Self-funded students will be asked to pay a £3,000 deposit to secure your place.	If you require a visa to study in the UK, we will issue a Certificate of Acceptance to Study (CAS). We start to issue the CAS 3 months before the start date of your programme. Complete your CAS assessment task and passport details on your UWE Bristol Welcome website on the My visa tab.	The following documents are required before we can confirm your place: • copy of your passport • copies of previous UK visa/s, if applicable • copy of your ATAS certificate, if applicable • copy of your final results, final transcript or degree certificate • copy of your English Language qualification, if applicable • copy of bank statements and or evidence of maintenance funds. Please read the admission statement for your programme carefully before applying, as you may need to upload additional documents.

Postgraduate research

Step 1	Step 2	Step 3	Step 4	Supporting documents
For a supervised PhD, MPhil or DPhil we expect that applicants will normally hold at least a 2:1 or a master's qualification from a UK university or a degree of comparable standing from a university outside the UK. We also require a recognised English language qualification before making an unconditional offer. Applications which do not meet the minimum criteria will not be considered. There are three intakes per year on 1 October, 1 January and 1 April. We recommend that you apply at least three months in advance as a minimum to allow for your CAS to be processed and ATAS certificate, if applicable.	Submit your application and research proposal online at **uwe.ac.uk/applyforpgresearch** If research leaders are interested in your proposal, we will invite you to a formal interview.	If you meet the conditions of your offer, we will confirm your place.	If you require a visa to study in the UK, we will issue a Certificate of Acceptance to Study (CAS). We start to issue the CAS 3 months before the start date of your programme. Complete your CAS assessment task and passport details on your UWE Bristol Welcome website on the My visa tab.	You will need to upload your research proposal, all your degree certificates and transcripts and your proof of English language proficiency as attachments to your application so please have these available when you complete the application form. Also, you will need to provide details of two referees as part of your application. At least one referee must be an academic referee from the institution that conferred your highest degree. Your application will only be considered if it is complete together with the above supporting documentation and confirms that you meet our minimum eligibility criteria.

Getting an offer.

1. Log on to the UWE Bristol Welcome website

After you apply, we will send you an email so you can access the Welcome website. It's important to check here regularly, as this is where we will send messages requiring your action.

2. Accept your offer

You will find your offer letter under the 'My letters' tab on the Welcome website. You can then accept or decline your offer via the 'My applications' tab. Please note that you will only be able to apply for accommodation after you've accepted your offer.

3. Apply for accommodation

After you've accepted your offer, you'll be invited to apply for accommodation from March. We guarantee UWE Bristol accommodation if you apply before the June deadline.

4. Complete visa information (if applicable)

Complete passport, visa questions and CAS assessment task via 'My visa' page.

5. Upload your documents

Next, you'll need to upload the following documents onto the Welcome website:

- Passport details
- Your final results (as soon as you have your results, please upload the document(s)).

6. Pay your deposit

When you've met your offer conditions and received an offer, you are required to pay a £3,000 non-refundable tuition fee deposit. You can do this via transfer or online.

7. Prepare for your visa

You may need a visa to study in the UK. You can apply for your visa up to three months before your course starts. We recommend applying as soon as possible once you have received your Confirmation of Acceptance for Studies (CAS).

After you firmly accept your offer, meet any offer conditions, pay your deposit and complete all requirements listed on your 'My Visa' page from section 4, we will issue your CAS in the summer before your course starts.

The small print.

The information given in this printed prospectus, including that relating to the availability of courses, is current at the time of going to press (August 2020) and is subject to alterations. For up-to-date information, please check our website.

Data protection

Personal data about students, including records of academic achievements, are stored by the University (the data controller) in accordance with all applicable Data Protection laws including, but not limited to the General Data Protection Regulation.

Disclaimer

We've made every effort to make this prospectus as accurate as possible. However, it is printed over a year before the courses start. The information is therefore intended as an outline of what we intend to offer.

We continually enhance our offer by responding to feedback from our students and other stakeholders, which may mean we make changes to the courses after the prospectus is published. This might include changes in legislation, practice, theory or updates we are required to make by professional or other regulatory bodies.

You'll find the most up-to-date information about our courses by visiting **uwe.ac.uk/courses**.

Very occasionally we may have to withdraw or combine courses due to limited demand, as small numbers would have a negative impact on the student experience for those courses. When this is the case, we'll advise you as soon as possible before the start of your course and use our reasonable endeavours to provide a suitable alternative.

Wherever possible, we use images of our campus and students in our literature and advertising. Occasionally we use stock images for illustrative purposes.
